## ONTARIO COMMUNICATIONS NETWORK

---

The Ontario Communications Network (OCN) is an enhanced telephone network using computer-based network management facilities. The Ministry of Government Services' Computer and Telecommunication Services (CTS) branch is continuing to upgrade the network across the province.

Once you are connected to the new network, it will no longer be necessary to use the Inter-City Network (ICN) codes. The dialling procedure will connect you to the appropriate line for any location served by the network.

All Centrex I users now on 965, 963 and 324 exchanges will be converted to the new Queen's Park Telecommunications System (QPTS) over the next 18 months and will be able to access the OCN using the 8 + 1 dialling procedure.

Training programs will be carried out for employees in all locations before their telephones are connected to the improved network. Until your telephone system has been converted, continue using the ICN codes.

For more information about the network, call your MGS Customer Support Co-ordinator. **If you experience any problems with the OCN, call the CTS Service Desk at 963-3900.**

---

## INTER-CITY NETWORK

---

If your telephone system is enhanced, refer to the above section. For those locations without enhanced network services, access to the Inter-City Network (ICN) *remains as before*.

The ICN allows a caller to dial direct from government offices in Toronto and government centres in Guelph, Hamilton, Kingston, Oshawa, Ottawa, North Bay, Sudbury and Sault St. Marie, to hundreds of other Ontario localities without incurring a long distance charge. The ICN should only be used by the staff of Ontario Government ministries and approved agencies, and members of the Provincial Parliament, to conduct government business.

If you are calling from Toronto exchanges 965, 963, 324, you can use the ICN to call anywhere outside the Metro Toronto free calling area.

Pages XVII through XXIII list Ontario cities and towns with their area codes and ICN access numbers.

To access the ICN, dial the number listed in the Inter-City column for the locality you want to reach. Then dial the seven-digit local telephone number.

If there is no Inter-City number for a particular locality, place your call through regular long distance means. For this purpose, area codes are listed. For area codes of localities not listed, consult your Bell directory or call the Bell long distance operator.

**For information regarding access codes on the Inter-City network, or to report troubles, call the Queen's Park operator at 5-1191.**

# QUEEN'S PARK TELECOMMUNICATIONS SYSTEM

In December, 1990, the Queen's Park Telecommunications System (QPTS) was introduced to provincial government offices in Metro Toronto. A fully-digital telephone exchange, it will be installed over the next two years to serve 18,000 government staff. With QPTS, almost all users will have direct-in-dial where individuals have their own separate line and number. This will reduce delays inherent in shared lines and improve the Ontario government's ability to serve the public. During the period of transition, telephone numbers will be changing as ministries convert to QPTS. Please use this directory to make a note of new numbers you call.

## HOW TO MAKE INTERNAL CALLS FROM QUEEN'S PARK AND VICINITY

The following dialling procedures are to be used for making an internal call when calling from the QUEEN'S PARK TELECOMMUNICATIONS SYSTEM (QPTS) and the CENTREX I TELEPHONE SYSTEM, (NOTE: Telephone numbers that begin with either 325, 326 or 327 are on QPTS; those on CENTREX I begin with 963, 965 or 324).

## **HOW ONTARIO GOVERNMENT EMPLOYEES CAN RECYCLE OUTDATED GOVERNMENT TELEPHONE DIRECTORIES**

Due to your efforts this past summer, approximately 18,000 obsolete directories were collected for recycling into flower pots and furniture packaging.

This represents close to one third of all books (Government Telephone Directories and KWIC Indexes) used within Ontario government offices.

**Congratulations!**

Please recycle your old Government Telephone Directories by sending them, in bulk, to YOUR OWN MINISTRY MAILROOM through the intergovernmental mail system. Remove any page markers from the books, and, if possible, transport them in the same boxes in which the new books arrived. The books will be centrally collected in the mailrooms. Arrangements will then be made through the Waste Management Program for pickup from each Ministry's mailroom.

If your office is located in QUEEN'S PARK OR ANY OTHER ONTARIO GOVERNMENT OWNED BUILDING in Metro Toronto, please drop your old books into your white newspaper saver bin conveniently located in common areas. The recycler will sort out the books for collection. Watch for the applicable posters in your building.

Should you not have access to either of the above systems, you can send your books in the original container, clearly marked "FOR RECYCLING" to,

Government Telephone Directory Recycling  
Ministry of Government Services  
Government Mail Service  
Room 2B-18, Macdonald Block  
900 Bay Street  
Toronto, Ontario  
M7A 1N3

**ONLY BOOKS RECEIVED BEFORE FEBRUARY 28, 1991 WILL BE ACCEPTED.**

Thank you for protecting our environment by supporting this effort. In order to further increase the recycling potential of this directory, we have discontinued the use of colored paper in favor of white paper throughout this book,

**FOR FURTHER RECYCLING INFORMATION, CALL OUR RECYCLING HOTLINE  
AT (416) 324-3777.**

For other inquiries regarding your ministry's listings in this book, please phone your telephone directory coordinator (refer to page iii for telephone number).

## COMMERCIAL STANDARDS PROGRAM

555 Yonge Street  
 Toronto Ontario M7A 2H6

The components of this program promote a high level of ethical business conduct by ensuring public disclosure of the essential elements of business transactions and the registration and licensing of persons dealing with the public. The various branches also conduct inspections of the financial operations of the regulated industries. In addition, the program provides services for incorporation of companies and the administration of The Motor Vehicle Accident Claims Fund which handles claims and payments for damage done by stolen, unidentified or uninsured motor vehicles.

The Commercial Registration Appeal Tribunal is the mechanism that allows licensees and registrants to appeal decisions and proposals made by Registrars of regulated industries, and also appeals from decisions or proposals of the Liquor Licence Board. Appeals of decisions regarding compensation fund claims under the ONTARIO NEW HOME WARRANTIES PLAN ACT and the TRAVEL INDUSTRY ACT and Motor Vehicle Dealers' Compensation Fund are also heard.

**LEARNING PROGRAMS DIVISION**  
**22nd Floor Mowat Block 900 Bay Street**  
**Toronto Ontario M7A 1L2**

This division of three (3) centres and three (3) branches is the focus for the elementary and secondary schools of Ontario. Responsibilities include the development of curriculum and support documents, the effective use of computer technology, arrangements for learning materials and evaluation instruments. In addition, the division is responsible for the coordination of the ministry's participation in adult and distance (correspondence) education, literacy and child care.

This division also assists school boards to respond to the needs of exceptional pupils. It maintains teacher records and assists with the professional development of educators in the elementary and secondary schools in the province.

In addition the ministry has created a new organization: The Learning Programs Secretariat which is responsible for managing the planning, consultation and development of the major government initiatives in education. These initiatives involve the restructuring and redesign of the elementary and secondary education programs in the Ontario school system.

**HOUSING OPERATIONS DIVISION**

**10th Floor 777 Bay Street**  
**Toronto Ontario M5G 2E5**

The Housing Operations Division is responsible for the delivery of all social housing, housing supply and rent review programs.

Social housing programs refer to those activities which provide socially assisted housing to residents in need. Ministry staff work with non-profit and cooperative housing organizations, the private sector, other ministries, and other levels of government in the development of private and municipal non-profit and cooperative housing. Division staff also provide technical and tenant support services to the Ontario Housing Corporation, landlord of Ontario's public housing stock.

Housing supply programs are those initiatives, such as Home Sharing and Convert-to-Rent, which encourage and facilitate the supply of affordable and adequate rental and ownership housing in Ontario.

Rent Review Programs administer both the RESIDENTIAL RENT REGULATION ACT, which regulates rent increases in private residential rental housing, and the RENTAL HOUSING PROTECTION ACT, which controls conversions and demolition of, and renovations and repairs to, rental accommodation. Information is also available through this division regarding the LANDLORD AND TENANT ACT, which governs other landlord/ tenant matters such as eviction, privacy and maintenance responsibilities.

## ALPHABETICAL LISTINGS

---

### Explanatory Notes

#### PAGE NUMBER

The number in brackets immediately following the employee's given name indicates the Office Listing page on which that employee's name appears. For employees whose names are printed *only* in the alphabetical list, no such number appears.

#### EMPLOYEE LOCATION

The city or town name is shown for each employee, to enable directory users to distinguish between local and long-distance telephone numbers. Before calling any location other than Toronto, refer to the Free Calling area or the Inter-City Network listings included in this directory.

The full address of any employee can be readily determined either by referring back to the appropriate Office Listing page using the page number provided, or by telephoning the employee.

#### MINISTRY IDENTIFIER

An employee's ministry is designated by the following identifiers. These identifiers are for the purpose of this directory only and are not approved designations. Employees of agencies, boards and commissions will be listed as if they were employed by the parent ministry.

**Make  
A Note  
Of It!**

Telephone numbers are changing. The new Queen's Park Telecommunications System (QPTS), which is being installed in Metro Toronto government offices over the next two years, will improve telephone efficiency and service.

However, until QPTS is fully installed, there will be a transition period. In order to keep you up-to-date, the

Queen's Park Switchboard will give you the new number when you call a number that has been changed.

You can use the margins of this telephone directory to "make a note of it". That way, you'll save time and keep your own telephone directory up-to-date.
